We are a church that wants you to find your place. We offer an Inquirers' Class for those interested in learning more about First Church or in joining the church. We discuss First Church, what it means to be a Presbyterian, and other questions about faith and service to God.

Our next Inquirers' Class will begin Sunday, January 6. To discover how you can grow in both faith and service, call Outreach and Growth Director Linda Campbell at 584.4701, ext. 248, or our Ministries Coordinator, Courtney Manning at 584.4701, ext. 265.
