DINNER DEVO

Abundant Blessings
Open your Bible to John 21 and have someone read verse 1-11. There were 7 disciples at the sea together when Simon Peter decided to go fishing. The blessing was so large they could hardly contain it! Spend some time as a family discussing how we all have so much more than we need—we are all so abundantly blessed! Thank God for His abundance!

CAR CONVERSATIONS

Take turns talking about exciting times in each of your lives! Was it a vacation or a special birthday? You probably didn't want to miss a minute of it! Who would think of getting up to go into the other room in the middle of opening presents?! Now, imagine the experience of eating breakfast with Jesus—would you even feel like eating? Would you stare and remain perfectly still in the presence of Him? The more time we spend with God the more we get to know the feeling of His presence.

"And Jesus grew in wisdom and in stature, and in favor with God and men." LUKE 2:52
